

The Fork Church

PHOTOGRAPHIC CONSENT AND RELEASE

At The Fork Church we take the issue of children's safety very seriously, and this extends to the use of photographs and digital images of children. We occasionally include images of parishioners or of their children or of their children's artwork on the Church's website and in its publications.

We ask that parents consent to the Church taking and posting photographs and original images of themselves, their children or their children's artwork on The Fork Church web site (www.theforkchurch.com, www.forkchurch.com, and www.theforkchurch.org) or using photographs or digital images of themselves, their children or their children's artwork in any Fork Church printed publication.

Please complete, sign and return the attached form to Debbie Murphy or Teresa Kestner.
