

From the Partlow's

Easter 2014

Congratulations, we have made it from Palm Sunday, through Good Friday and Maundy Thursday to EASTER.

Many of us in our lives have come through sickness, disappointment, betrayal, hopelessness and even the reality of the death of dear ones. Some of you may be experiencing those pains even now. But while God's will for life can be delayed it cannot be thwarted. Life begins with God saying "Let there be" and it continues forever with the shout "Christ is Risen". It is because of this that St. Paul could proclaim to the followers in Corinth:

Death has been swallowed up in victory

Where O death is your victory?

Where O death is your sting?

On this glorious day,

Bless you all,

Ruth and Bob
